

Ice Track makes sense in turbulent times

Letter

Tuesday, September 19, 2006

We have had the opportunity to review the Toldo and Rosati Family Ice Track Project. This is a win/win project for the people and the city of Windsor. Our city is fortunate to have this opportunity.

This family sports and entertainment arena makes great civic sense. Manufacturing industries in Windsor are experiencing turbulent times and the taxpayers cannot afford an increase in taxes to pay for a much-needed arena.

There are no operating costs or deficits incurred by the city of Windsor taxpayers for this project.

The Toldo and Rosati families have a proven reputation in our community. I hope city council welcomes the opportunity to support Project Ice Track.

We compliment the dedication and determination of the Toldo and Rosati families.
